hear Charlottesville. He was also a brother of James Bolton, a civil engineer, who was killed in a cave-ir furing the construction of the Church Hill Tunnel of the Chesapeake and Ohio Railway.

Mr. Bolton married Miss Susie Talia, Engineer P. P. Taliaferro. She dice shout fifteen years ago. Two daugh--Misses Minnie and Susie Boltonand one son, James Bolton, a sur veyor for the Richmond and Henrico Railway Company, survive.

Bolton entered the engineering service of the city as a mere boy in 1869. Frank T. Bates, the next oldest attache of the office, entered the office but a few months later. When Mr. Bolton was first employed John B. Crenshaw was City Engineer. He was succeeded by Charles Dimmock, and later by a brother of Mr. Bates, S. Eded by Colonel W. E. Cutshaw.

During the first twelve years Colonel Cutshaw's administration City store. Engineer Bolling was an assistant in the office with Mr. Bolton. After laying out and erecting the New Reser voir and pump-house, Mr. Bolling became Superintendent of the Water Works, Mr. Bolton remaining as first assistant in the Engineer's office.

After the death of Colonel Cutshaw Mr. Bolton was acting City Engineer for several months. He was a candidate for the position in a race with Mr. Bolling and Building Inspector

Officials Express Their Regrets. City Engineer Bolling was much af fected at the death of Mr. Bolton. He scientious or honest man and that his As first assistant in the

office, Mr. Bolton purchased supplies and had supervision of the city stables and the street repair force. In recent years he had been largely occupied in supervising construction of the system of sewers which the city is providing bond issue for the annexed terriprise attempted by the city since the settling basins were constructed. Mr. Bolling expresses the belief that even members of the Street Committee

were not familiar with the vast amount of detail work, and that its mere volume with so short a force would accomplaint has been made. Employes of the engineering depart ment met at the office yesterday after-noon and took suitable action on the

death of Mr. Bolton Mayor Richardson and many other ity officials took occasion to call at he house during the day and express their regret, and pay tribute to the integrity and fidelity of the man. Several members of the Street Committee also expressed their entire confidence in the man and their regret that he should have taken criticism so much

WILL DELAY HEARING

Charges of Contractor Burton to Be Fully Investigated.

The subcommittee from the Council Committee on Streets, appointed to investigate the charges of Contractor Clarence G. Burton against the engineering department scheduled to meet yesterday afternoon at 4:30 o'clock was postponed by direction of Chairman Vonderlehr on account of the death of Assistant City Engineer Jackson Bolton. Mr. Vonderlehr said last night that in justice to both the living and the dead the committee would go fully into the charges and render a report on the points raised through the render a report on the points raised in connection with alleged duplicate he asked that the same mercy be exspecifications and admitted errors in calculation in the office. thought penalties would not deter boys

Cadets Brant and Jamison were expelled for conspiring to defy miliary authority, the overt act being the |] fischarge of bombs. hird class held a meeting and decided that it would stand by the dismissed The next morning they marched cadets to return to the barracks i arrest. Instead, they went back to the own and returned only to get their trunks. There were seventy-eight in this mutiny, and with the two previ-ously discharged the total was eighty An order was issued "shipping" the entire class, save a rew who took no

Compliments Class.

Continuing, General Nichols said that o-told-paternal as Pure Nutrition, up building the whole body, well as military. He did not remem ber that he had ever seen a bette third class. There were, of course, ex ceptions, and some of the boys were A quick lunch prepared in a minute.

Take no substitute. Ask for HORLICK'S. lieved, were largely instrumental in In No Combine or Trust

getting, and on the boys were to the boys were lieved. These few, he believed, were largely instrumental in getting the class into the trouble, the supposition being that they felt they were going to leave anyway, and that could by fomenting a disturb ance get out without so much dis

One thing for which the class was especially to be commended, said Genespecially to be commended, said Gen-eral Nichols, was its voluntary promise, religiously adhered to, not to indulge in the miserable practice of hazing. Its conduct had been exemplary throughout. Numbers of them had since the occurrence, he said, ex-pressed their regret for what they had done, and he believed they were mere-ly the victims of a mistaken sense of honor, which led them to believe they should stand by their class. He added his warmest personal regards for the men.

Unpardonable Sin. "But," concluded General Nichols touching on this point but briefly, "there is the military side. The Virginia Military Institute, the pride of its alumni and the pride of the State stands for law, for order, for discipline, for constituted authority. young men have committed what is t us the unpardonable sin-defiance of discipline and of duty. I would ad vise that they be not reinstated, cer-

tainly not at this time."

Those present representing the boys were invited to speak, and first held consultation as to who should pre "The best bread you ever tasted."

Wrapped in waxed paper—not touched by human hands until it is served on your table.

"The best bread you ever tasted."

Sent their case. Under this arrangement, the discussion was opened by George E. Caskie, of Lynchburg. He expressed no desire to palliate the of. fense. He thought it not the part of wisdom to excuse the boys. But the board, like the superintendent, he said acted as guardian of the young men This was a sudden affair, under impulse, of which grown men are fredepend on the advice and service of quently guilty. It was but mistaken trained experts. Our agency furnishes class pride, and if older heads had these. Correspondence solicited. Free been there, as was the case with one been there, as was the case with one cadet who had a brother in the school as instructor, they would have gone back in arrest, in accordance with the order. Mr. Caskie did not believe it was necessary to the discipline of the school to keep the young men out. He talked of the home folks who had denled themselves to give the boys an education. He was willing that the should have all the penalties that could be inflicted, so that they were

> Tragedy to Boys. Greenlee D. Letcher, of Lexington was the next speaker. He said there was no moral obliquity in the case of the cadets. He thought they had done wrong, and that it would be a mistake to take them back as a class, but he thought also they should be reinstated individually, thus eliminating the undesirable characters. The affair he characterized as a tragedy to the parents and friends and to the boys. He advised breaking up the cadets, and taking them back under such penalties as would be a least training the under the under he affair. as would be a lesson to them and to the rest of the school. Mr. Letcher aroused interest by his advocacy of

the reinstatement of secret societies, which are now forbidden.

The audience was deluged in tears over the tragic appeal made by Charles F. Mansfield, Assistant Attor ney-General of Illinois, who came from Monticello, in that State, to attend the operas at our Sheet meeting. He pleaded for his own boy saying it had been the dream of his Music Departmentlife that he should be educated at the institute. He was overcome with emobefore the operas are Approaches Alone Placed at tion, and so were many of those pres played in Richmondcommand he asked for nothing but mercy for his boy. Not a "Sale," but a regular price

Operatic and Classic Sheet Music ed before the subcommittee for an in-formal conference as to the ultimate cost of the undertaking, saying that the Finance Committee anticipated an issue of bonds to take care of the bridge and other obligations of the annexation act, and that it was desirable that the cost be kept within reasonable bounds. Already the city had paid \$112,000 for the site to the old Mayo Land and Bridge Company. The estimated cost of the bridge proper was placed at \$225,000, and from bids in hand it seems that an adequate reinforced concrete arch structure with roadbed forty-four feet wide and eight-foot sidewalks, making a total width of sixty feet, can be erected for that amount. The bids, however, do not cover the

pproaches. Either there must be ome cheap form of embankment to rise to the level of the bridge five feet above that of the present bridge, or dered the class under arrest. One of raised for some distance back to higher ground, which would necessitate the regrading of many railway tracks. Mr Bolling was instructed to have surveys and estimates both of permanent and tiny, and that its members would have temporary construction made, and the had no respect for the school had they committee will meet later on the been received.

OBITUARY

Enters for Dwight F. Davis International Lawn Tennis Cup.

Sydney, N. S. W. February 27.—as challenge has been received from the Lawn Tennis Association of Great Britain for the Dwight F. Davis international lawn tennis cup.

The United States National Lawn Tennis Association sent a challenge for the Davis cup about three weeks ago. A challenge was issued for this cup last year by both the United States and Great Britain, but representative teams could not be obtained, and the effort to regain the tropy won in England by Brooks and Wilding, the Australian players in 1907, was delayed.

Trains Will Be Continued.
[Special to The Times-Dispatch.]
Lynchburg, 'Va., February 27.—Tomorrow completes the year which the Norfolk and Western Hallway gave as a trial for trains Nos. 7 and 8, which are operated between Petersburg and Lynchburg, with a connection from Richmond over the Atlantic Coast Line, and if the trains have not proven to be a paying proposition that is not indicated by the fact that the management evidently expects to continue the Tuns.
